UK Disability Inclusion Training and workshops

This is an excellent introductory workshop into disability sport in Scotland. This course provides delegates with the following opportunities

- To recognise and influence how perceptions and experience have on interactions and our expectations of others
- Identify appropriate disability-specific terminology, etiquette and communication
- Articulate the principles of current legislation and know who to contact for further information
- Outline the barriers which may need to be challenged in order to create opportunity
- Identify the participation opportunities within disability sport
- Recognise how to influence (even change) practices and facilitate inclusion
