## WELCOME MESSAGE

### 2017

On behalf of everyone involved with Scottish Disability Sport (SDS), we take this opportunity to warmly welcome you to the Association's 54th Annual General Meeting. This Annual Report provides an overview of the work of SDS during 2016/2017 and recognises the achievements and successes of the athletes, players, coaches, officials and volunteers who continue to achieve and contribute to the development of disability sport across Scotland.

Our congratulations go to the 33 Scottish athletes who competed across 12 sports at the 2016 Summer Paralympic Games in Rio de Janeiro, returning home with 17 medals (5 gold, 8 silver and 4 bronze), accounting for 11.5% of ParalympicsGB medals. We also salute the five Scots who attended these Games in a coaching or support role.

Scottish athletes also enjoyed considerable success on the world and international stage including gold medals for Sammi Kinghorn and Stef Reid as well as a bronze for Maria Lyle at the IPC World Athletics Championships and a bronze medal for the Scottish Wheelchair Curling Team at the WCF World Wheelchair Curling Championships. We recognise and congratulate all those Scottish athletes, players, coaches and support staff who have competed and achieved as part of Scottish or Great British teams on the international stage.

SDS member Branches remain the initial entry point for those wishing to access grassroots sport and all 13 SDS Branches, and the Local Authorities and Leisure Trusts who provide such important support, continue to provide access to opportunities at a local level. All 13 member Branches have now fully met SDS's Minimum Operating Requirements. Our thanks are extended to all those who commit so much time and energy to develop grassroots opportunities for those with a disability across Scotland.

Thanks are also directed towards all those staff, coaches and volunteers from our partner governing bodies of sport who have embraced the inclusion agenda and contribute significantly to sport specific pathways for disabled athletes and players across Scotland.

On behalf of everyone involved with SDS, we thank the Board for their continued hard work, guidance and support which often goes unnoticed. We recognise the significant contribution of Gerry Milne who stepped down from the Board this year and thank him sincerely for his guidance and support. We thank Board Directors Catherine Goodfellow, Dave Rhoney, Paul Queen, Jay Runga, Claire Morrison, Iain Smith and Oliver Barsby for all their work on behalf of the Association.

We also thank and acknowledge the SDS staff team for their hard work and loyalty during the last year. In the past 12 months we said farewell to Claire McDonald after more than seven years in post as Regional Manager for Grampian. We welcome Alison Shaw to this post and also Neal Herbert who took up the vacant Regional Manager position in the East of Scotland.

Recognition must be paid to **sportscotland** not only for their continued financial investment in the work of the Association but also for the support and guidance of key staff. SDS is also indebted to additional funding partners including Education Scotland, Sainsbury's, The Celtic FC Foundation, the Scottish Sports Aid Trust, Wheelpower, Better Breaks, the Scottish Physical Recreation Fund, the Sportsman's Charity and the Scottish Football Partnership Trust for their continued investment in disability sport in Scotland.

Following a series of 32 consultation workshops, SDS has also launched a new national strategy "Inspiring Through Inclusion 2017-2021". This plan will direct the work of the Association at a local, regional and national level for the next cycle, which will include the 2018 Commonwealth Games on the Gold Coast, 2018 Winter Paralympic Games in Pyeongchang and the 2020 Summer Paralympic Games in Tokyo.

In conclusion, we thank you all for your attendance at this year's AGM and for your endeavour and support of disability sport in Scotland during 2016/2017.
