Disability curling at The PEAK

Our NEW disability inclusion classes offer three distinct curling sessions at The PEAK tailored to support those living with a disability. Our sessions are a great introduction to the sport of curling consisting of 1 hour of coaching with a qualified Active Stirling or Scottish Curling qualified instructor. Get involved in this great sport, meet new friends and have fun on the ice. Carers are welcome to attend for free and would be encouraged to take part on the ice.

KEY

Visual impairment **VI** Multiple Sclerosis **MS** Disability inclusion **DI**
