

EDGA

Blind Golf Scotland Sampler Sessions

Blind Golf Scotland, in partnership with EDGA, will be holding Taster Sessions for **Visually Impaired** people who would like to try Blind Golf.

Blind Golf is a hugely popular sport across the globe, with international tournaments, Opens, leagues and even just friendly matches at a local club with a friend.

It's great for mental and physical well-being as well as being a fun social activity. All you need is a sighted guide - and a little training.

Coatbridge: 30th July 2021

Stirling Golf Club: 2nd August 2021
