Visually Impaired Rugby

Visually impaired (vi) rugby has been modelled on rugby union and rugby league. The game is 7-a-side, touch rugby. The referee is very vocal, commentating on the game at all times to allow players understand what is happening on the pitch

- Ball contains small ball bearings and a bell
- Touch rugby – no full contact
- Open to anyone with a visual impairment aged 18+
- Bus stop at venue servicing stagecoach 20 and 27 (routes between dundee and kirriemuir via forfar)
- 21a stops nearby servicing routes from stracathro to dundee (via brechin and forfar).
- Connecting bus services from other towns in angus.
- Meet and greet service available

SUNDAYS

10.45am – 12 noon

Forfar Community Campus
